### The Russian Identifies Another.

J. K. Earnest, the man who was arrested Thursday night under the bad name act, was taken before Squire Arkle yesterday and identified by Isaac Braverman as the man who had stolen ten dollars from him. Jack Forsyth, the other man identified by Braverman, was discharged the other day.

Earnest was unable to give bond for his appearance next Wednesday at the hearing, and was committed to jail.

### The Fiftieth Anniversary.

Rev. John Scott, D. D., a prominent minister in the Pittsburgh conference of the Methodist Protestant church, and for about fifteen years editor of the *Methodist Recorder*, of Pittsburgh, will celebrate the fiftieth anniversary of his ministry on Sunday, February 21, 1892, in his church at Wellsburg, W. Va. Rev. G. G. Westfall, who has been over forty years associated with him in the ministry, has been invited to be present. His pulpit will be filled on Sunday morning by Rev. Ross Stevenson, D. D., and in the evening by Prof. Henry Woods, D. D.

### Yesterday's Police Court.

In the police court yesterday there were seven cases. James Riley, for disorderly conduct at Mrs. Dittie's house, paid \$10 and costs. Ike Lazure, a plain drunk, was let go to leave town. Martin Laller, for disorderly conduct, paid \$2 and costs. William Rodgers, who was accused of disorderly conduct, was dismissed with a lecture. He is from the country, and he went into the candy grocery of Harry King, on South Chapline street, where Mrs. King and Della Fullerton were, and acted in so peculiar a way that the women were uneasy and sent for an officer. Officer O'Brien responded to the call, and Rodgers was so impudent in his talk that he was locked up. Mary Nixon, who was drunk, was let go on the plea that she had a family at Benwood to support. Annie Brown was sent to jail on an old commitment, and a vagrant was given fifteen days on the hill.

### Transfers Recorded.

Clerk Hook yesterday admitted to record one deed of trust and transfers of real estate as follows:

December 13, by William V. Hoge to Henry J. Topp, for \$300, lot 26 in the subdivision of lot B at Edgemoor.

February 16, by Henry Herwig and wife to the trustees of Triadelphia lodge I. O. O. F., for \$250, lot 62 in Triadelphia.

February 9, by John G. Kline and wife to Michael Agine, for \$2,500, the lot on which stands the Ravine saloon, on North Main street.

February 17, by Kate M. O'Leary to John Henry Rosenberg, for \$935, the south half of lot 10 in square 17 of the Joseph Caldwell estate.

February 18, by Anna Maria Fremder to Michael Treiber, for \$650, a lot on the east side of Market street south of Twenty-second.

January 29, by the stone church cemetery association to Martin Wagner, for \$30, lot 249 in section C in that cemetery.

### ABOUT NAILERS' WAGES.

A Reduction at the Jefferson Mill—The Men Will Quit.

The nailers employed at the Jefferson were yesterday notified, says last evening's *Stevensville Star*, that after next Monday there would be a reduction of 25 per cent on the present scale for cutting fine three penny nails. The reduction will affect about forty machines. The nailers held a meeting last night to consider the matter and while arriving at no definite determination, it is given out that the nailers are disposed not to accept the reduction, but will quit their machines and engage in other business, as they claim it will be impossible for them to make a living under the reduction. So far as known the proposed cut only affects the Jefferson, and the result will be local wholly in its effect, as neither the men nor the mill belong to any association. The reduction is regarded as an entering wedge for a reduction in other sizes, but the cut nail business is one of the enigmas and it is hard to say what the outcome will be.

### The Ladies.

### COUNTY MATTERS.

Action of Committees of the Board of County Commissioners Recently.

The County Commissioners' committee on court house and jail met yesterday and discussed at some length the plan of heating both the court house and jail by one plant. It was finally resolved to have the architect of the new jail submit plans and estimates for such an arrangement. It was also resolved to secure an estimate of the cost of wiring the new jail for the electric lights, and it is entirely probable that this light will be adopted.

The committee on poor house and farm on its monthly visit to the infirmary made out the annual inventory of the property on hands at that institution.

The joint committee of the County Commissioners and City Council appointed to attend to the purchase of election booths has appointed a sub-committee, consisting of Messrs. Gruse, Dobbins, Prosecuting Attorney Howard and City Solicitor Riley. This committee will get estimates on the cost of booths, etc. Mr. Dilto, representing a St. Louis firm, has been here and submitted rates. Others are also expected, and the committee is subject to the call of the chairman, Mr. Gruse, to meet any representatives of manufacturers of ballot booths. The cost to the county will be from \$3,000 to \$10,000.

### SENT UP AS A LUNATIC.

A Man Fires two Shots at a Neighbor without any sort of Provocation.

Yesterday forenoon while Fred Warner was standing in his door on the South Side, Ben Rickus walked toward him and drawing a revolver deliberately fired two shots at Warner. Fortunately neither took effect, and Officer O'Brien was soon on the scene and took Rickus into custody. He acted queerly, and there was no imaginable motive for his assault on Warner. Rickus was arraigned before Squire Gillespie, who sent him to jail to await an inquest into his sanity. There can be little doubt that he is a lunatic. The shooting occurred south of Twenty-fifth street in the alley between Main and Market.

### THE LEAGUE CONVENTION.

The Young Men's Elkins Club of Moundsville Meets Delegates.

The young Republicans of Moundsville held a rousing meeting last night for the purpose of forming a club. The meeting was opened by T. J. Parsons, who made some stirring remarks on the Republican outlook and the advisability of forming a strong organization of the young Republicans of the city. J. T. McCombs was made chairman and Jno. W. Lutes secretary. After roll call the following delegates were elected to represent the club at the league convention: Chas. Parkinson, Edward Manning, Wm. Charleston, J. D. Burley and John W. Burchinal; alternates, J. J. Parsons, Dr. J. J. Richardson, J. L. McCombs, I. N. Clayton and J. W. Lutes. Various committees were appointed, and the club will rapidly be put in working shape. The name adopted by the club is the Young Men's Elkins Club of Moundsville.

### Club Organization at McMechen.

The Republicans of McMechen, Marshall county, met on the evening of the 18th inst. and organized the Dowler Tariff and Reciprocity Club, of McMechen. The president is Dr. M. A. Dowler and the secretary, S. R. Hanes.

Delegates to the Parkersburg convention were chosen as follows: J. L. McMechen, S. R. Hanes, W. B. McMechen, Dr. M. A. Dowler and B. B. McMechen; alternates, John Hendricks, W. A. Jeffers, Sherrard Brush, J. M. Johnson and Wm. Porterfield.

Harvey and E. H. Frost; alternates—C. W. Winston, John Buck, M. L. Wells, Frank Valhardt and E. A. Sheets. J. B. Hagar was president and James N. Beard secretary of the meeting.
